

CITY OF SAN ANTONIO BUSINESS DEVELOPMENT PROGRAMS

ECONOMIC DEVELOPMENT BRIEFING TEAM

Program Description:

The City of San Antonio, together with various public service utility companies, formed the San Antonio Site Development Briefing Team to provide an overview of the site development process. This team facilitates the process by serving as the direct, immediate line to key decision-makers that can troubleshoot and resolve problems encountered in the development and permitting process, such as issues related to local subdivision, uniform building, and the uniform fire codes.

Program Eligibility Criteria:

Available to businesses locating within the City of San Antonio.

Program's Benefits:

The team describes the development process, identifies applicable codes and regulations, clarifies code requirements and may comment on conceptual plans or Master Development Plans. This courtesy briefing and conceptual plans review does not replace the Preliminary Plans Service process or the regular Subdivision and Construction processes.

The briefings are tailored to the scope of the development and may require the participation of the following entities:
